LETTER OF CONGRATULATIONS

Dear Mohsin Akram,

On behalf of all of us here at EIT, I would like to congratulate you on successfully You have shown a great deal of determination and dedication in your efforts to complete this course and you deserve to be very proud of yourself.

My most sincere hope is that your studies have and will assist you in your career and that they have in some way contributed to your personal development.

At EIT we offer a variety of courses to further your studies, these include a range of professional development courses, as well as accredited Advanced Diploma, Bachelor Degree and Master Degree courses which you may like to consider.

Please contact one of our Course Advisors if you wish to receive further information on how we can assist you with your future study needs as a valued student at EIT.

We all wish you everything of the best and hope to see you back at EIT before long.

Yours sincerely,

Bernadeth Magat
Learning Support Officer
Engineering Institute of Technology

RECORD OF RESULTS

STUDENT NAME: Mohsin Akram Khan

STUDENT NUMBER: 2026119789

COURSE: Professional Certificate of Competency in Instrumentation, Automation & Process Control

COURSE CODE: CIP27

PERIOD OF STUDY: June 2026 – September 2026

MODULES COMPLETED		
Module 1:	Introduction, Basic Terms and Definition	
Module 2:	Diagrams and Numbering	
Module 3:	Pressure Measurement	
Module 4:	Level Measurement	
Module 5:	Temperature Measurement	
Module 6:	Flow and Mass Measurement	
ASSIGNMENT 1 (MODULE 1 – MODULE 6)		RESULT ATTAINED
		A 100%
Module 7:	Control Valves	
Module 8:	Basic Control Philosophies	
Module 9:	Integration of the System, Modern Trends and Other Process Considerations	
Module 10:	Programmable Logic Controllers Introduction to the PLC	
Module 11:	Iso, Hazops, Reliability Centered Maintenance, Spare Parts Analysis, Testing and Panel Design	
Module 12:	Hmi, Scada & Dcs Systems	
ASSIGNMENT 2 (MODULE 7 – MODULE 12)		RESULT ATTAINED
		A 100%
<u>COURSE TOTAL:</u> A 100%
